Note

Extension of octroi in certain Municipalities of the Mysore District.

In April 1907 the President of the Municipalities in the Mysore District proposed, at the instance of the Municipal Boards concerned, to levy octroi on the marginally noted articles in the Municipalities of Bannur, Sosale, T. Narasipur and Talkad.

2. The rate of duty proposed to be levied on fresh cocoanuts was fixed in excess of the rate fixed in Govt. order No. 4841.-51 dated

cocoanuts fresh
do dry
betel-leaves
tobacco
clothes
jaggery
cross-cut

3 Moreover, the cost of establishments proposed for collection in the Municipalities of Sokalé, T. Ravadipur and Zalkod was far in excess of the prescribed maximum scale of 10 per cent on the collection

4. The Boards' proposal to adopt the enhanced rate of duty on cocoanuts has found favour with the Hon Commissioner and the Dewan, and requires only Council sanction to be given effect to.

5th As regards the disproportionate charge of collection in the 3 municipalities referred to above, the President was requested to report the alternative course to

he would propose. The President states in reply that the collection-work may be entrusted to the village officials paying them a commission of 5 per cent on the collections. This suggestion is unobjectionable and may be approved.

6 As regards Bannur, information was called for as to whether the fair is being held within municipal limits. Reply has not been received yet. A reminder was sent yesterday.

Submitted for orders as to whether the President's reply may be awaited.

D.J 6/8/01

Yes. Then the whole question may be held for orders.
